

2020 Mukwonago Indians Baseball Tryout Schedule

With spring break scheduled the same week as the beginning of the baseball season, we will conduct five practices throughout spring break prior to the start of tryouts on March 29th. Please see the practice and tryout schedule below. We assume the weather and fields will not be ready for outdoor use, therefore all times are based on gym times. However, beginning Monday, March 30th, practices will be moved to an earlier time after school if the weather cooperates and the fields are dry.

(Times starting March 30th are subject to change)

A positive attitude and a rested athlete.

Notes:

-We as a coaching staff ask that parents not attend tryouts or practice. We feel that our student-athletes will stay relaxed without spectators. They already have multiple coaches evaluating them for multiple days/practices.

-Final roster decisions will be made on Tuesday, March 31st after tryouts have concluded. Coaches will inform players that night (in-person and electronically). Our first games at all levels will be the following day, Wednesday, April 1st for those players who make the final rosters.

-Pay attention to Remind texts and possibly school announcements the week of March 16th for updates/changes.

-Questions? Respond privately on Remind or email Coach Cochran, cochrda@masd.k12.wi.us

Thanks,
MHS Baseball Coaching Staff
